24,000 Video titles
comprised of documentaries,
lectures, performances, and
educational films.

Scholarly Journals

2,500 full-text scholarly journals.

Audio Tracks

15 Mil+ Audio tracks providing an
extensive streaming audio library.

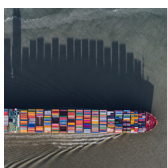

The screenshot displays the ProQuest Digital Collections homepage. At the top, there's a navigation bar with 'Basic Search', 'Advanced Search', 'Publications', 'Browse', and 'Change databases'. Below this is a search bar with the placeholder 'Enter search terms...' and a magnifying glass icon. To the left of the search bar are filters for 'Full text' and 'Peer reviewed'. Below the search bar, there's a grid of featured publications, including 'Dance Research Journal', 'JazzTimes', and 'National Woman's Party Papers, Part II: The Suffrage Years, 1913-...'. To the right of the featured publications is a list of 'Included in ProQuest Digital Collections', such as 'ProQuest Black Studies', 'ProQuest Women's & Gender Studies', 'ProQuest One Literature', 'ProQuest One Entertainment & Popular Culture', 'ProQuest One Global Studies & International Relations', 'ProQuest One History', 'ProQuest One Visual Arts & Design', 'Music & Performing Arts Collection', and 'American Drama 1714-1915'. Further right is a section titled 'Also Available to You' with links to 'ProQuest One Performing Arts', 'ProQuest One Entertainment & Popular Culture', 'ProQuest One Cultural Anthropology', 'Art and Architecture in Video', 'VideoFashion Library', 'U.S. History Collection', and 'Global & International Studies Collection'.

PROQUEST DIGITAL COLLECTIONS

PROQUEST ONE ANTHROPOLOGY offers ethnographic primary sources, including field notes, manuscripts, and key and unique video ethnographies, covering over 1,000 cultural groups globally. It provides unpublished materials including field notes, photographs, and recordings from influential anthropologists and rare ethnographic films. The content supports anthropological research and teaching with curriculum-aligned resources such as video segments, lesson plans, and exercises.

PROQUEST ONE GLOBAL STUDIES & INTERNATIONAL RELATIONS provides extensive resources for studying critical global and social issues in historical and contemporary contexts. Government documents, archival materials, periodicals, news scripts, multimedia, and an expansive range of other primary and secondary sources support interdisciplinary research on key topics such as global security, migration, environmental change, and social movements. Thematic collections offer research support for in-depth study of global dynamics, ideologies and identity, governance, human rights, and social change from the 18th century to the present.

PROQUEST ONE BLACK STUDIES combines ProQuest's award-winning content into an essential resource for Black Studies research and learning. This database combines primary and secondary sources, including leading Black Historical Newspapers, archival documents and collections, key government materials, videos, writings by major Black intellectuals and leaders, scholarly journals, and essays by top scholars in Black Studies. Alongside the exclusive and foundational content, the database includes user-friendly features such as timelines, topic pages, and collection pages for easy navigation and discovery.

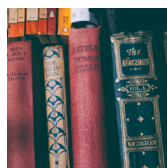

PROQUEST ONE WOMEN'S STUDIES reimagines five centuries of award-winning content as a single, essential destination to serve research and learning for women's history and women's studies. It provides access to exclusive resources, including Women and Social Movements Library

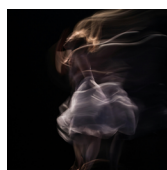

Collection. This product is presented within a user interface tailored for the field with timelines and topic pages. Exclusive faculty created primary source projects and historic magazine archives offer insights into women's roles over time.

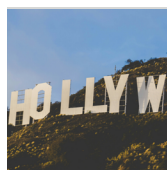

PROQUEST ONE HISTORY is an essential resource for in-depth historical research, offering access to authoritative primary sources, scholarly articles, and documents that cover key events, figures, and time periods, from 1450 to the present. With content sourced from renowned institutions, museums, and archives worldwide, this resource spans global regions and offers users valuable materials for researching social, political, and economic history across centuries.

PROQUEST ONE LITERATURE offers the most comprehensive collection of primary literary texts, ebooks, reference sources, full-text journals, dissertations, videos, and more, providing unparalleled access to historical and contemporary works by celebrated and lesser-known authors worldwide. The database includes 3 million citations from journals, monographs, dissertations, and over 500,000 primary works, including rare texts, and non-traditional sources such as comics and author readings.

PROQUEST ONE PERFORMING ARTS offers dynamic, multi-media content that connects foundational works — such as plays, performances, and scores — with secondary materials including journal articles, publications, and reference resources. Integrating varied content from classical music scores to dance videos, historical performance recordings, theatrical productions, and drama texts, enables deeper exploration of technical artistry, historical context, and cultural significance across different time periods.

PROQUEST ONE ENTERTAINMENT & POPULAR CULTURE provides extensive archival and current resources spanning music, film, television, gaming, comics, and childhood and youth culture. These materials include respected and influential industry publications, popular magazines, iconic film scripts, and engaging video content. These materials support research in popular culture across film studies, media studies, music and entertainment, cultural studies, and sociology, providing insights into societal trends and the evolution of entertainment.

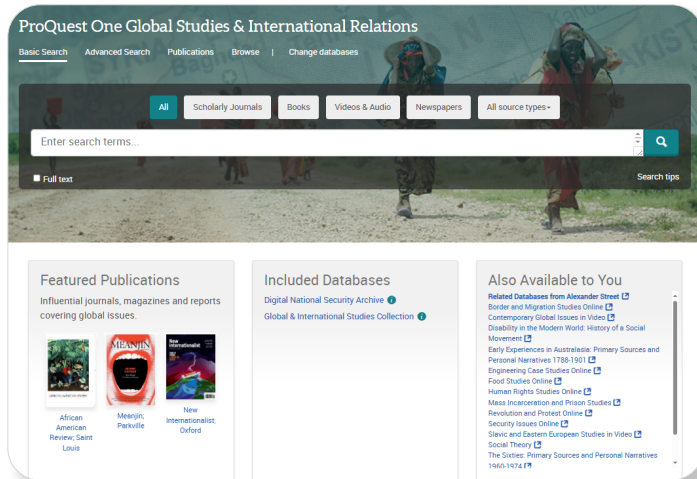

PROQUEST ONE VISUAL ARTS & DESIGN offers specialized content in art, design, architecture, photography and fashion. It combines bibliographies, historical periodical and magazine archives, and fashion video footage for both historical and contemporary studies. This subscription provides key indexes, and leading scholarly titles chronicling significant movements, trends, and figures in visual arts and design, supporting interdisciplinary research across visual arts, design, and related fields.

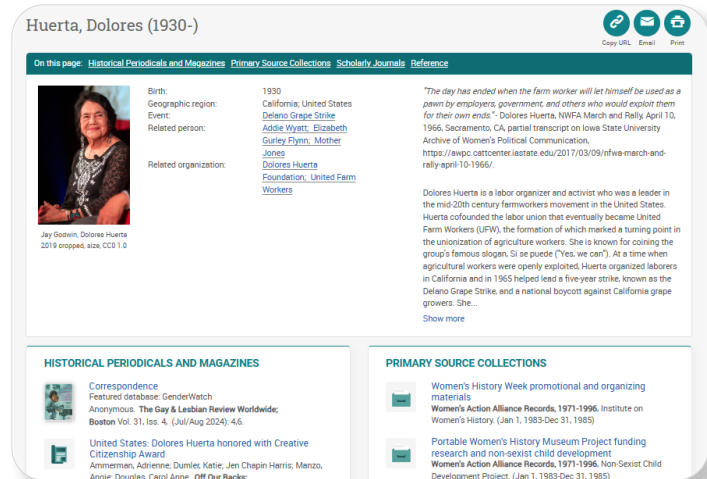

FEATURES TO UNLOCK CONTENT VALUE

ProQuest Digital Collections offers a variety of specialized features including topic pages, timelines, archival arrangement presentations, and other tools designed to support teaching and learning across various disciplines.

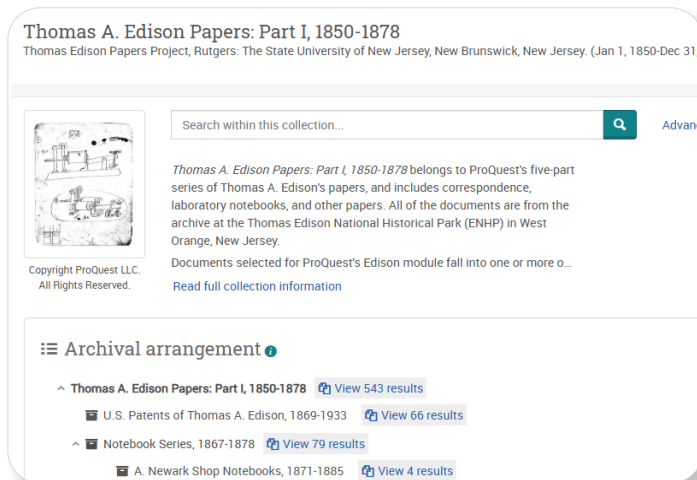

Home Pages are structured to align with the essential tasks, assignments, and projects relevant to those in a discipline, presenting content in a manner that is intuitive and meaningful.

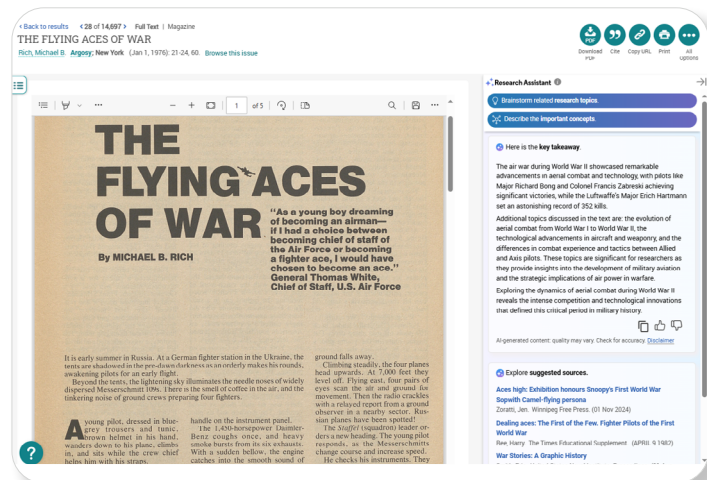

Topic Pages provide organized gateways for efficient, insightful research, and help users quickly understand topics. They cover a range of subjects such as people, events, movements, theories, and concepts.

Archival Presentation replicates traditional box and folder organization for easy navigation and understanding of archival principles.

ProQuest Research Assistant harnesses Academic AI to provide rich insights and help users create better search queries.

BROAD AND AFFORDABLE ACCESS FOR ALL LIBRARIES

ProQuest Digital Collections is offered as a growing subscription, ensuring that academic institutions of all types and sizes have an opportunity to benefit from curated, authoritative and unique content collections. It will be continually enhanced with multi-format content and innovative features that serve research and learning use-cases with input from the library and academic community.
